## CAREER OBJECTIVE

To work in a creative, challenging, and innovative environment that will hone my design and development skills and allow me to grow as a professional in the web industry, while using my previous education as an asset in web design and development, usability, and accessibility.

## EMPLOYMENT HISTORY

OCT2008 AND CURRENT

### Website Developer

Satori Consulting, Inc.

#### DUTIES

Performing new-website support research in the areas of Information Architecture, Usability, Accessibility, and User Experience.

Creating new visual design compositions, including product branding, for client websites in development.

Developing websites using XHTML, PHP, CSS, and JavaScript.

Working with multiple designers, developers, and user experience specialists in a team setting to create, develop, and launch new or redesigned websites.

FEB2008 AND CURRENT

### Website Developer

Atomic Fusion, Inc.

#### DUTIES

Assisted in the development process of new site designs and current site redesigns for new and established clients.

Created new visual design compositions for client websites or print products in development.

Developed websites using XHTML, PHP, CSS, JavaScript, and Flash.

Aided senior developer, art director, and operations manager in ongoing website development and design projects.

#### SUCCESSSES

Involved in the creation and deployment of websites for major Atlanta entities Turner Broadcasting and the Coca Cola Company.

Launched, updated, and serviced websites for small- and large-scale clients, including design of print collateral materials.

AUG2004 TO MAR2007

## Assistant Service Advisor

RBM of Atlanta, Mercedes-Benz U.S.A.

DUTIES

Aided senior service advisors in caring for client vehicles, including but not limited to: managing repair schedules, creating estimates and invoices, scheduling service appointments, and coordinating with repair technicians.

SUCCESES

Assisted IT department in consolidating company-wide computer network, aiding in the upgrading of software systems across two automotive dealers.

Streamlined the dealer's monthly self-audit procedure by creating Microsoft Excel spreadsheet applications to automate many processes.

OCT2003 TO MAY2004

## Insurance and Technologies Coordinator

Spa Qi / Wellness Unlimited, Inc.

DUTIES

Managed office technology hardware and software, including building and preparing new office computers and setting up inter-office networks.

Maintained a database of patient health insurance plans and ensured that individual patient insurance coverage was up-to-date.

SUCCESES

Created and maintained a server-based network for three individual medical practice offices.

Redesigned and maintained client-facing and internal business websites as well as print collateral.

## SCHOLASTIC HISTORY

JUN2007 TO MAR2009

## The Art Institute of Atlanta

Associate of Fine Arts, Web Design and Interactive Media

SUCCESES

Held positions as both a tutor and a teacher's assistant within the Web Design & Interactive Media department.

Awarded with both "Best In Show" and "Contributor to the Program" awards upon graduation.

MAY1999 TO APR2002

## The University of Georgia

Franklin College of Arts and Sciences
